Glory be to Jesus Christ!

Dear Teacher:

Re: A contest for Alberta Youth

All Christians are called to preach the Good News. Part of the Church's response to this call is *iWitness*, an online contest meant to engage all youth (from kindergarten to grade 12) and help them encounter Christ.

To see how your class can get involved with this exciting programme, visit the "Resource" page of the website (iwitness.edmontoneparhcy.com), for a step-by-step instruction video for your use.

The new contest is *iRespect*—which encourages children and youth to witness how they respect their own bodies and the bodies of others. The closing date for submissions is June 20th. In addition to a personal prize to the winning student (such as iPods, iTunes Gift Cards, other gift cards), the winning student's **teacher will receive a monetary prize of \$100** to be spent in the classroom.

Along with this letter, you may have received a poster that may be put up in your class, letters for your student's parents, and handbills for your students.

For more information about the *iWitness* program, or for your comments and feedback, please contact Tobias Underwood at the Chancery Office Eparchy of Edmonton at 780-424-5496 or by email at youth@edmontoneparhcy.com

Glory be Forever!

Tobias Underwood
Program Coordinator, *iWitness*
